

TOMATO

Age: 8-12

Language focus: asking questions

Materials: none

Procedure:

1. Divide the class into groups of five.
2. Single one student out in each group who will be a 'Tomato'.
3. Students in each group ask questions to the 'Tomato' and try to make him/her laugh.
4. The only answer to all questions can be 'tomato'.
5. Examples of questions:
 - What's your name?
 - What's your pet?
 - What are you wearing on your head?
 - Why do you like dancing?
 - What did you do at school yesterday?
6. If somebody makes 'Tomato' laugh or gets a wrong answer, he/she will supplant a 'Tomato'.

Teaching tips:

- You can use tomato headbands or a tomato soft toys.
