

TOUCH FIRST

Age: 6-10

Language focus: any familiar vocabulary

Materials: a poster or flashcards

Procedure:

1. Stick the poster or flashcards with lexical items you want to practice to the board.
2. Ask two students to come to the board.
3. Say a word and they have to touch the right picture. Student who does it first gets a point.

Teaching tips:

- You can ask students from the class to call the pictures to point by those at the board.
